

TEAM OKC ROBOTICS

Invites you to

JOIN IN THE FUN OF INTERNATIONAL COMPETITIVE ROBOTICS!

Team OKC is an award-winning competitive high school robotics team participating in the international FIRST Robotics Competition (FRC). Working from our workshop inside of Science Museum Oklahoma and a part of the Oklahoma County 4-H organization, we are composed of high school students from around the Oklahoma City metro.

Contact us at teamokcrobotics@gmail.com.

<https://teamokcrobotics.com>

We are currently seeking students who are interested in STEM and/or robotics to join our team!

No experience required!

Check out our social media! We are @teamokcrobotics on Instagram, Twitter and Facebook.

FIRST ROBOTICS COMPETITION

Help design, build, and compete with a 125 lb. robot, 3x3 on a field that fits on a basketball court!

Travel! Compete!

In the 2022 season, we competed in Shawnee, Tulsa, Kansas City and at the FIRST Robotics World Championship in Houston!

Our robotics workshop is located inside Science Museum Oklahoma.

Basic Information:

- No experience required
- Open to 9th-12th (as of fall of 2022) graders.

Cost:

- \$20 4-H fee
- Cost of team T-shirts
- Travel costs (for out-of-town competitions; travel scholarships may be available)

Time Commitment:

- During off season (Apr-Dec) we meet 2-3 times per month (usually Saturdays)
- During build season we will meet around 20 hours* a week (Saturdays, plus week nights TBD)

**Team members are expected to attend 12-16 hours per week during build/competition season)*

Areas of interest needed:

Programming
Computer Aided Design
Manufacturing
Building/Mechanical
Wiring/Electrical
Electronics

Community Outreach
Business and Marketing
Video Production
Photography
Public Speaking
Website Design

We need people interested in the engineering and business side of the team or both!

Benefits:

- Compete with teams from around the world
- Cash for college!
- Work with cutting edge technology
- Community Service
- Real-world business experience
- Project Management
- Leadership
- Make connections with sponsors and VIPs
